

PRACTICE INTRODUCTION

Making treatment possible, without leaving your practice.

Your patient has asked about being treated under sedation. Sedation Solutions provides doctor-led mobile IV sedation, delivered directly to your practice — so your patient can be treated in a setting they already know, without a referral elsewhere.

Why practices choose us

- 1 Doctor-led sedation team**
Every case is led by a GMC-registered doctor or anaesthetist trained in IV sedation.
- 2 Delivered to your practice**
Mobile IV sedation delivered directly to the practice already treating your patient.
- 3 Safety & governance**
Continuous monitoring — pulse oximetry, capnography and ECG — with full documentation and audit.
- 4 Sedation-specific technology**
Booking, consent and monitoring software built specifically for sedation.

How your practice gets started

- 1 Register your practice**
Call 020 8643 0913 or email marketing@sedationsolutions.co.uk to register — it's quick, and only needs to be done once.
- 2 Call to arrange a sedation**
Once registered, call the same number with a few convenient dates and we'll confirm a time.
- 3 We take care of the rest**
We send the Patient Pack, confirm the appointment, and arrive fully equipped to deliver the sedation on-site.
